## WANTHELP

### Boers Are Seeking Intervention.

### An Envoy Is Coming to Washington.

### Messenger Is Very Hopeful of Success For His Mission.

Washington, Oct. 25.—(Spl.)—Samuel Pearson, adjutant to the Boer general, Botha, will reach Washington this afternoon for the purpose of meeting Cornelius W. Van der Hoogt, the Boer representative here. They will hold an important conference to-night and hope to bring about intervention for the struggling Afrikaners in the near future.

"The prospects for intervention were never so bright," said Mr. Van der Hoogt. "The Boers have now about 27,000 fighting men in the field. Although the British have some 200,000 a great number of these are unfit for service, or are needed to guard the mines and towns held by the British."

### GROWING.

### Encouraging Report on Ohio Reformed Churches.

At the meeting of the Ohio Synod of the Reformed church, in session at Wadsworth, a paper was read by Rev. E. P. Herbrunck, D. D., of Canton, retiring president of the Synod on the state of religion among the Reformed churches of Ohio. He reported an increase of \$888 in benevolences, \$44,412 in congregational con-

tributions, and an increase of 505 in membership during the past year. There were 395 deaths reported. The report further stated that the Sunday schools are making commendable progress both as missionary and educational agencies, and the church is very perceptibly feeling their strengthening influence and enthusiasm. The young people's societies are doing telling work, though there is not the intensity and fervor which characterized the organizations several years ago. A number of new churches have been built and others remodeled and enlarged, indicating a desire to keep pace with the progress of modern church methods, and to provide edifices suitable for our religious purposes.

"I had long suffered from indigestion," writes G. A. LeDels, Cedar City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia Cure. One bottle cured me. A friend who has suffered similarly I put on the use of Kodol Dyspepsia Cure. He is gaining fast and will soon be able to work. Before he used Kodol Dyspepsia Cure, indigestion had made him a total wreck. William Warner, Gem Pharmacy, 118 S. Howard st.

### SOME FUN IN MAYOR'S COURT.

### Col. Sanford Wasn't Prepared to Deal With "Back Numbers."

As a humorist and philosopher Col. H. C. Sanford is still very much in the game. He appeared in Mayor's court, Friday morning, and after two minutes of argument had the affidavit against Eliza Sherrybody looking like the fly leaf of a first reader in a country school. Eliza was accused of being a suspicious person. She and "Sandy" Coppard were arrested together on the same charge. After Mr. Sanford, by use of every known authority, including the Mosaic law, had shown that the affidavit was worthless, because it made no specific charge, Prosecutor Wells arose and stumped the belligerent Colonel by asking Mayor Doyle to put into execution a sentence imposed on Eliza some months ago for lewd conduct, and suspended.

"Ten dollars and costs and 90 days," said the Court.

"What's that?" demanded the Colonel, somewhat chagrined.

"The present case against Eliza is dismissed," said the Court, "but this is for a past offense. She promised to leave town and didn't."

"Well, well, how about this, Eliza? Why didn't you tell me about your back history?" asked Colonel Sanford, turning to the defendant, while everybody in the court room laughed.

"However," concluded the Colonel, addressing the court, "I thank you for your decision in the present case, but I was not prepared to deal with 'back numbers.' I thought there was only one case against the defendant."

Everybody laughed some more, and Eliza was led away to the city prison. A new affidavit was filed in the case against "Sandy" Coppard.

### An Indication of Nervous Trouble.

A headache is simply an indication that some part of the body is deranged, usually the stomach or nervous system. Clinic Headache Wafers cure by relieving those conditions. Never fail. Try them and be convinced. 10 cents at all druggists. They are absolutely harmless. Don't accept a substitute.

### HOME AGAIN.

### Herr Granada and Wife Had a Good Season.

Herr Granada and wife, the high wire performers, returned Thursday night to their home, 167 Benjamin st., to spend the winter in Akron. They had a successful season, closing at the Indianapolis fall festival. Herr Granada said Friday that the report from Columbus several weeks ago that he was injured there was incorrect. It was started from a number of people supposing that he was hurt, and that a certain trick of his performance in which he appeared to fall, then catch himself, was an accident.

W. T. Wesson, Gholsonville, Va. druggist, writes: "Your One Minute Cough Cure gives perfect satisfaction. My customers say it is the best remedy for coughs, colds, throat and lung troubles."

William Warner, Gem Pharmacy, 118 S. Howard st.

**\$5,000,000**

### Probable Capital of Combined White Corn Mills.

Only two Ohio companies are likely to be included in the combination of white corn mills which is now being formed in Chicago. These are the Weidner Co., at Cincinnati, and the Miami Maize Co., of Toledo. About 15 companies are interested in all, most of them being in the Indiana and Illinois corn belt. The capital of the company is to be about \$5,000,000. There are no white corn mills in this vicinity and only the two named in this state.
